To the management of Armenia Renewable Resources and Energy Efficiency Fund (the Fund)

We have audited the accompanying special purpose financial statements of "Grant for the Preparation of the Geothermal Power Project" (the Project) financed by the Grant Number TF018000, which comprise the Statement of Financial Position as at 23 October 2015, the Statement of Sources and Uses of Funds, the Statement of Uses of Funds by Project Activity, Summary of summary reports and SOEs, the Statement of Designated Account for the period from 23 September 2014 to 23 October 2015, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

The management of the Fund is responsible for the preparation and fair presentation of these special purpose financial statements in accordance with the accrual basis of accounting described in the Note 2 accompanying these special purpose financial statements, and for such internal control as management determines is necessary to enable the preparation of special purpose financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing as issued by International Auditing and Assurance Standards Board. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the special purpose financial statements are free from material misstatement.

An audit involves performing procedures to obtain reasonable audit evidence about the amounts and disclosures in the special purpose financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risk of material misstatement of the special purpose financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the special purpose financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the special purpose financial statements.

The Fund activity address is: 32 Proshyan str., 1st lane, Yerevan 0019, Republic of Armenia.

2. Accounting policy

2.1 Preparation and presentation of financial statements

The special purpose financial statements have been prepared based on the accrual basis of accounting and presented in accordance with Financial Management Manual for World Bank Financed Investment Operations (March 2010): RM 3 – Financial Reporting and Auditing.

In accordance with the accrual bases of accounting the expenditure is recognized when the transaction occur (expense incurred), and not only when cash or its equivalent is received or paid. The transactions are recorded in the accounting records and recognized in the special purpose financial statements of the periods to which they relate.

The special purpose financial statements consist of:

- Statement of financial position,
- Statement of sources and uses of funds,
- Statement of uses of funds by project activity,
- Summary of summary reports and SOEs,
- Statement of designated account,
- Notes to the special purpose financial statements.

Reporting currency of special purpose financial statements is US dollar (USD).

2.2 Foreign currency transactions

Project accounts are maintained and transactions are made in USD and Armenian Drams (AMD). Transactions denominated in local currency are translated into USD as follows:

- Contributions of the Funds expressed in AMD are translated into USD at the average exchange rate at currency market issued by the Central Bank of Armenia (CBA) at the date of transfer.
- Payments to contractors and suppliers expressed in AMD are translated into USD at the average exchange rate at currency market issued by the CBA at the date of payment.
- Monetary assets and liabilities are translated into USD at the average exchange rate at currency market issued by the CBA at the reporting date.
- Transaction and translation exchange differences (gains/losses) are recognized and presented in financial statements in net as an Exchange difference.

The average exchange rate at currency market issued by the CBA as at 23 October 2015 is 1 USD = 469.79 AMD

2.3 Taxes

The Project related taxes and mandatory payments are calculated and paid in accordance with tax regulations of the Republic of Armenia.
